

Candidate Statement of Qualifications

CITY OF ANAHEIM MAYOR

NAME: **LORRI GALLOWAY** **AGE:**
(Optional)

OCCUPATION: Non-Profit Executive Director

Anaheim was struck with scandal. Moving forward, we need new, transparent, honest, and proven leadership, which I can provide.

As a fiscally conservative moderate, I promote open, fair, and respectful communication between government, residents, and businesses. I am a previous Anaheim councilmember and mayor pro tem. I am founder and CEO of The Eli Home shelters for abused children for 30+ years.

As mayor, I will prioritize:

Safe communities through maximum staffing levels for police and fire departments.

Promoting dialogue between law enforcement and residents.

Reducing homelessness through housing solutions, and advocating for pro-active programs addressing addiction and mental illness.

This is no time for unproven leadership. I will immediately address building back businesses affected by the pandemic through tax incentives, and assistance with start-ups and marketing.

I will advocate for first-time home buyer incentives and tax credits for all levels of affordable housing.

I am a skilled negotiator. I will research, analyze, and negotiate the Angel Stadium development agreement with the Angels and/or other interested parties with full transparency.

My vision includes growth of tourism, increase in employment, and an extension of community resources.

I humbly ask for your vote and would be honored to serve as your mayor.
